Four Man Best Ball

Team play at its finest. Cheer for every player in your group - you're all in this together. Only count one score per hole - I'd suggest the best one, but that's up to you. Those who play this game agree; it's the most fun you can have with a golf ball.

Only scores from Saxony members count, so if you're with a guest or playing as a threesome, you'll just have to work that much harder. Of course you can still cheer for the other guy, but his score won't count.

Full Handicaps. Best Net Score per hole. Probably going to need net 65 or better to take this cash.
