**Best Net - Par 4's Only**

Is a par 3 really a golf hole? It's just one swing and a couple short stabs - that's not golf. And par 5's - what's with that extra shot in the middle? Par 4's are what golf is meant to be. Driver & Approach. Distance & Accuracy. Man's golf - that's what I'm talking about.

Today's game focusses on the 11 holes where par is 4. Some long, some short, four on the front and seven on the back. The heart of the golf game and the key to the weekly cash. Relax on those little 3's; sleep on the par 5 road trips. But play your best when it's a 4.

Track your net score on the par 4's only. 1st & 2nd place low net.
