Two Day Event September 15th & 22nd, 2012

The Memorial will once again be the modified and handicapped Stableford type system. (The quota system is actually called the "Chicago" System and can be found on the USGA website under Tournaments). Players will receive a point "quota" based on their handicap. The player with the most points over his quota after 36 holes will be the winner. In this way it remains a handicapped event and all players regardless of handicap still have a chance of winning the tournament.
