Goodbye To Bogeys  
 It's hard to say Goodbye. I can't even start to think about Saturday without golf, or list the things I'll miss most about this year's Saxony Season. But there's one thing I won't miss: Bogeys.  
 What a waste of 15 minutes. A lousy drive, a topped iron, a fat wedge and a feeble putt. Bogie - thy name is legion. Whatever your method, however you get there. Is there a worse walk in golf than the post-bogie shuffle off the green?  
 So today we say Goodbye To Bogeys. Good Riddance. Keep 'em off your card and off your Christmas list.  
 People with 4 or fewer net bogies (or net doubles) will take home \$10
