Fathers Day Foreskins

In celebration of Fathers' Day we're playing for skins. Your set score on a hole against all other club scores. If you're low man - you're the winner. All winners will get \$10.

We're also raising money to fight prostate cancer. So please dig into that hidden stash of bills at the bottom of your golf bag and donate generously.

Note that in order to win a skin against the entire club, you first have to win (be low net) in your own foursome. So start small, then hope big.

A look at last year's rounds suggests that most of the time it will take a net eagle to win a your \$10 skin. Start pin-hunting.
